*The FarmGirl Cooks' E-Newsletter is just one of the things that makes Bialas Farms' CSA unique. The newsletter is chock full of recipes and tips that members can use to make the most of their farm share. It also includes a list of what will be included in that week's farm share box. Members receive this email every week of the CSA season.*

*It is The FarmGirl's goal to teach members to use and preserve the farm-fresh vegetables and fruits provided so there is very little food or time wasted. We want you to truly see the value in eating like a farmer.*

As a member of **Bialas Farms' Share the Harvest 2017 Summer CSA** I will receive an assortment of locally grown seasonal produce at each distribution. I understand that the variety and quantity of produce received depends on growing and storage conditions that vary by season. I understand it is my responsibility to arrange pick up of my share on the day selected. Shares left at end of pick-up period will be forfeited and there will be no refund.

**\*\*\* I understand that the balance for my share must be paid before August 17th.**
