Get your Pottery Fix at the Open House on Saturday, 11/19.

Picture a roaring fire and folks getting cozy all cuddled up under a festive throw, a gorgeous mug full of hot cocoa warming their hands. Perhaps a soup bowl cradled in your hands as you snuggle up with a holiday movie.

This could be you!

Handmade pottery for everyday or special occasions and each piece is unique. Select from an assortment of pretty things for gifts and for yourself.
